

STATE OF INDIANA  
INDIANA GENERAL ASSEMBLY  
THIRD FLOOR STATE HOUSE  
INDIANAPOLIS, INDIANA 46204

March 8, 2022

The Honorable Eric Holcomb  
Governor of Indiana  
200 W. Washington St., Room 206  
Indianapolis, IN 46204

Governor Holcomb,

We respectfully write to you regarding an important matter on behalf of the legislators included here, as well as many Hoosiers across the state. As you are aware, 2022 has the potential to be a monumental year in our nation's history with respect to the U.S. Supreme Court's ruling on Dobbs v. Jackson Women's Health Organization. The Court has the potential to either completely, or partially, overturn Roe v. Wade, and, in doing so, acknowledge that states have greater ability to enact laws that protect the sanctity of life.

It is the desire of the House and Senate leadership, including the signatures below, for you to call the General Assembly back in for a special session, at the earliest date practicable, should the U.S. Supreme Court's ruling expand Indiana's ability to protect unborn children. Providing a voice for those that have not yet been able to speak for themselves is a responsibility that we do not take lightly, and this is exactly why this request is so important.

As a state that recognizes that life is a precious gift that should never be neglected, it is our desire that you, as the Governor of Indiana, ensure that those values are upheld without delay. We have a responsibility to Hoosiers to ensure that our state laws are aligned with the Supreme Court's decision if Roe v. Wade is wholly, or partially, overturned. We appreciate your thoughtful consideration of this request. Thank you for your time and for your service to Indiana.

Sincerely,

Todd M. Huston  
Speaker of the House
