

A close-up photograph of a woman with light brown hair, seen from the side, gently kissing a baby on the forehead. The baby has light skin and blue eyes, looking directly at the camera. The woman's eyes are closed in a tender expression. The background is softly blurred, suggesting an indoor setting with natural light.

A note on judicial candidates: Indiana Right to Life has no information or recommendations regarding judicial candidates. Unfortunately, Indiana rules chill the free speech rights of judicial candidates in answering surveys. Indiana Right to Life twice fought court battles seeking to change these judicial candidate rules, but both suits were rejected by the federal courts. Please contact judicial candidates directly.
